

STREAMING PRE-AMPLIFIER SMART STREAM 2

PRODUCT

SKU	colour	ean
SMARTSTREAM2	black	5420020107407

The SMART STREAM 2 turns your existing audio system into a modern streaming hub. Easily stream internet radio, Spotify, Tidal, Qobuz, Bluetooth, AirPlay, and more through a single compact device.

Having trouble with poor FM or DAB reception? With the WiiM Home app, you can listen to your favorite radio stations worldwide in excellent sound quality via a stable internet connection.

Thanks to its extensive array of inputs and outputs, you can effortlessly connect your TV, turntable, or laptop. Plus, the SMART STREAM 2 works seamlessly with other ArtSound Smart products for a complete multi-room audio experience.
